Hello all,

Please see the original email thread below. GSD is requesting assistance with the removal of homeless individuals from a pedestrian bridge.

Sorry, I don't have any additional details.

Can the UHRC assist GSD with this issue?

Thank you,

Monique

Paul,

Happy New Year. I'm sorry, but although we're providing construction for the homeless, we have no regular contact, nor a written policy when an interaction presents itself. I've included Monique Contreras of the Unified Homelessness Response Center for assistance.

Sincerely

JEFF ROSAS

Good Morning Jeff,

Happy New Year, I am looking for some help with the homeless. I will need to move some homeless from a pedestrian bridge in the near future. Do you have a written procedure to move the homeless?

Paul
